Prez Sez

Greetings and Happy Holidays! Hope you all enjoy your holidays. We do have an opportunity to meet three more times before the end of the year. Our last car show of the year is at Little Anthony's Saturday November 11. We are looking forward to seeing you and your Corvair there for dinner.

We have moved the November meeting up to the fifteenth of November to not interfere with Thanksgiving and my wedding!

Please get your reservation money in for the Christmas party on December 13. Looking forward to seeing all of you there.

Remember November is Drive Your Corvair Month and don't worry Corvairs are very good wet weather vehicles. Hopefully no rain for the U of A homecoming parade on Saturday. We have two Corvair convertibles in the parade.

Happy Corvairing, Barry

## ***Casa de los Niños - 2000***

For each of the last 21 years the Casa de Los Ninos has held a car show to raise money for their home for abused children. Each year they raffle off a nice restored car and give everybody from near and far a chance to show off their cars. Usually between 500 and 800 cars show up and thousands of people come to enjoy a day at the park. The Tucson Corvair Association has supported the show with a nice display of cars for nearly every one of the 21 years.

There were 13 cars there this time from the Club. The Corvairs always draw a lot of attention. Most people who drop by always talk about the Corvair their family had when they were young or about an uncle who had one that used to ride in. A few have Corvairs at home that they want to sell and many just want to see the little car and its rear engine. All non-Corvair people admire the fan belt and how it twists around to do its job!

Many thanks to the cars in attendance were belong to Gordon Cauble, Barry Cunningham, Chris Cunningham, Allen Elvick, Dawn Elvick, Tim Green, Charlotte Haskell, Dave Lynch, Van Pershing, Bruce Robinson, Don Robinson, Dave Thompson and John and Amy Toupey.

The prize for drawing the most attention has to go to Tim Green's Rampside. Tim just bought the pickup a little while ago and it's pretty rough. But he was there with the ramp down and ready to haul whatever would fit into the back. I think that every little kid that attended the show came by and run up the ramp into the bed and back down again. I'm sure next year when the truck is painted all pretty he won't allow the kids to ride herd on the Rampside.

All in all, a great time was had by all who attended. We hope to continue the tradition of Corvairs at the Casa Show and to support such a worthy cause.

A special thanks you to all who made the Corvair display at this year's Casa Show possible. There wasn't any other single-mark club who had as many cars. The Tucson Corvair Association can be proud of its efforts!
