

PONTIAC MOTOR DIVISION • GENERAL MOTORS CORPORATION

**Your pulse rate goes up whenever you see one of these? Relax—you're perfectly normal.**

There's nothing we enjoy more than watching someone take a close look at one of our GPs for the first time. The small, admiring shake of the head. The pursed lips of judicious approval. The sudden turn to a companion to share one's appreciation. All these we see, time and again. And, like a doting parent, we flush a little with pleased pride. We made that! we want to shout. It's a Grand Prix and it comes with a 306-bhp Trophy V-8 and easy chair bucket seats and a console and just take another look at those utterly clean and simple lines, we babble silently. A lot of people must hear us, though. There are GPs all over the place.
